

Welcome Back GBM

Pitt Computer Science Club – Spring 2022

Feel free to ask questions whenever!

There will be Q&A at the end

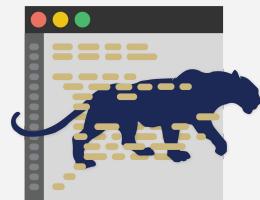

What is Pitt CSC?

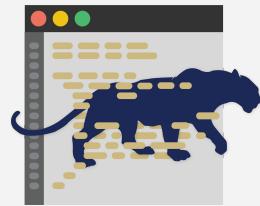

We are Pitt Computer Science Club (CSC), the largest computer science organization on campus. A rapidly growing community of over 400 student developers and hotbed of technical talent.

We strive to connect each member to the **resources and opportunities they want to be successful**. Our community and alumni network consists of every background, every demographic, and every skill set.

All are welcome here!
